

Butterfly Magnet

Materials: (to make 1)
3 different colours of felt
Glitter Paint or coloured paint pens
Stamen (or substitute for antenna)
Magnet
Craft Glue
Optional: Moving eyes

Method:

1. Cut a pair of top wings out of one colour felt and a pair of the bottom wings out of one of the other colours. Then cut the body out of the last colour.
2. Glue all of the wings together onto the back of the body.
3. Glue magnet onto the back of the body.
4. Fold stamen in half and glue to top of head to form antenna.
5. Decorate wings with glitter glue.
6. Put two spots of paint onto the head for eyes, or using moving eyes.
