

Gardening

Gardens are used for _____

Preparation is an important part of gardening

- Wear the right clothes
- Prepare the soil
- Know your area ie what type of plants grow well in your environment
- Plants and diseases
- Use the right tools
- Always clean your tools after use
- Water

Do you know? ? ?

Do you know the difference between a spade and a shovel? Ask your Dad or Grandfather!

Do you have gardening tools? _____

Who looks after them? _____

Who mows your lawn? _____

Who waters your garden? Is it done automatically? _____

The Challenge

For the next month watch your garden carefully. Ask for tasks to do in the garden. It's not hard and you might enjoy it!!
