

When talking about hair care make the following bag and encourage the girls to keep their scrunchie, clips and hair slides in it.

'Hair Things Bag'

Make each girl a bag from calico or similar with a draw string top finished size 18cm x 23cm (Our Pioneers made them as Design and Dressmaking Skills - learn how to use a machine)

Using a laundry maker or similar have the girls draw a face on the front (We drew the approx size in pencil to give them a guide)

They can add their name and the words "Hair Things"

Each girl then makes a plait with a finished length of 25cm. Tie a knot at both ends and add a ribbon. Glue onto the bag as hair.
