Dear Parents

Next week as part of our Health achievement the girls will be learning about cleaning their teeth. Each girl will need to bring her toothbrush in a container, clearly named.

Thank you,

Soap Bunny

- Take a face washer about 30cm square.
- Fold in half to form a triangle.
- Starting at the long edge, roll into a firm sausage shape.
- Fold the "sausage" in half to form a U shape.
- Fold the pointed ends back on itself and wrap an elastic band around the face washer about 3cm in from the folded edge.
- Pull the points forward to form the ears, add a cotton wool ball for a tail and "wobbly eyes".
- A small guest soap can also be added.
